

Chemical Executive Network

JOBSITE ADVERTISING

ChemExecSM is a specialist online professional network dedicated to the chemicals, materials, resources and bioscience industries. Advanced features guarantee quality networking without the need to request links or introductions, saving time and money. The site receives a steady and constantly growing audience of chemicals and related professionals worldwide. We fuel audience growth via event partnerships, strategic affiliations, monthly newsletters and ever-growing ChemExecSM | Executive Network.

What does it cost?

Corporate members of our network can advertise on our [Jobsite & Careers](#) for FREE. One year of Corporate membership costs US\$500, or **US\$250** (if you upgrade to within 7 days of joining). This is payable by card using our secure Worldpay platform and a receipt is issued. Card details are not stored. **Once upgraded, post as many jobs as you wish for a year***.

What do I get?

1. **Advertisements** will stay live for 60 days (unless you choose to reduce this time when first posting). Ads can be edited whilst live at any time and renewed if needed when they expire just by logging into your ADVERTISING ACCOUNT.
2. **Collect candidates**; via your own portal OR collect via our website. If via our website (the default) each candidate will be sent to you via email, plus will be maintained on your ADVERTISING ACCOUNT where you can see all candidates, you can rank them, see viewing statistics and keep a candidate back-up. Candidates are also separated by tabs into those with and without work visas. **For sensitive roles** you can mark an ad as confidential which means it is live and people can apply if you direct them to the link but it is not shown on live roles.
3. **Search for candidates**; you can search our Executive Network for anyone who you think may be suitable. Once found you can contact them directly if you wish or add them to MY CONTACTS for later use. You can make a custom list and add potential candidates to this. You can then send a GROUP MESSAGE to any of your lists (up to 100 people a day), to alert them to your advertisement.

How do I get started?

1. Join our [ChemExecSM | Executive Network](#) and log into your account.
2. Upgrade to Corporate membership via DASHBOARD then BENEFITS / UPGRADES
3. Go to [Jobsite & Careers](#) and click ADVERTISE DIRECT then START ADVERTISING
4. At the top of the page you can compose an Advertising Profile which goes on each posting to publicize your organisation. Then compose and edit the posting.
5. Add more postings if you like. When ready go to Checkout where the pending ads will be shown **at zero cost**. Click PAY NOW button and the posting/s will be made live.
6. Manage your postings via MY DASHBOARD / ADVERTISING ACCOUNT

**Corporate members in good standing can add as many postings as needed, subject to fair usage and our [Terms](#). If you have any difficulties in adding postings or managing your account [please contact us](#).*
